“ Don't know why but I thought of my high school coach today. Rest high on that mountain.

“ Joe was truly a dedicated teacher and coach. His knowledge of sports was amazing. The positive attitude he conveyed to his students has remained with me for the last 44 years. I was thrilled to be in attendance at the Greater Buffalo Sports Hall of Fame dinner, when he was inducted in 2009. The world was a better place because of Joe. Rest in Peace.

“ He was a great man. He was the best baseball coach I ever had. Taught me so much about how to a good ball player & his lessons I still use today when I work with players. He use to umpire ball & strikes behind the mound during my Babe Ruth games as a kid & he would stand behind the mound providing constant encouragement for me to challenge hitters with my fastball or whisper between pitches to "be smart". It was an honor & privilege to play under Coach Merlo. RIP

“ I have fond memories of Mr Merlo. As a teacher at Gilmore School he was kind and caring. And then when I worked at Marine Midland/HSBC he always had a smile and kind words. May he rest in peace . Prayers for him and his family.
