“ I will greatly miss one of the best aunts a niece could ever have. I will never forget her love and devotion to us after our mother died. All the cooking and sleep overs will never be forgotten. I am praying for you all and hope to see you soon. Hugs and kisses to my great cousins. Bye to my "Cha Cha". Love, Gail

“ Dearest Family,

*It is with great sadness I send my condolences to all of you. My sister (Sherry) informed me of your mother's passing last night. I am so sorry for all of you. I have WONDERFUL memories of so many family times shared with mom and all of you. I could write volumes in this book and never really begin to say all that your mom and members of your family mean to me. Just know that while we're separated by distance there is and has always been a very special place in my heart for your mom and each of you. As a new angel looks down on all of us, know that things will be ship shape in heaven now that "Josephine" is there to get everybody organized. I send love, hugs, and kisses to all of you as you deal with the loss of a very special lady. Know that each of you are with me in my thoughts and prayers. Surround yourselves with the wonderful "gifts" she left each you by being the force she was. She will live forever in our hearts, which is a great gift to all of us. May you know God's peace as the healing begins. Love, Auntie Jill*

Our thoughts and sympathy are with you and your families at this sad time. Your mom was a strong woman and raised a fine close family. You are all blessed with families just as close. May your Mother be at peace. God Bless All of You.
