“ *My gram was the most amazing person in this entire world. She should of had a statue in the center of her town. She had the largest heart and the warmest smile. My gram taught me everything I could have to be a successful strong woman. I am forever grateful for the time I had with her. My gram put her family first and always made that known. I will miss her until the end of my days. The staff at Roswell will always have a place in our hearts after the amazing treatment and care my gram received during her 10+ year battle. Instead of prayers, please vote for science so a cure for cancer can be found. Rest easy my queen. Love, Kaelee*
