*My deepest sympathies go out to Elmer and all of his family. Judy did love her Golf I go with her the last seven years. She was a tough woman with thick skin. She hurt a lot of my cussing and maybe witnessed me tossing a lumber too now and then she would just shake her head and giggle she was really a great lady. I'm glad I got to golf with her the last seven years she will be sadly missed by the whole Golf league. Thoughts and prayers to her loved ones left behind. May she rest in peace..🙏🙏🙏*
