Aunt Sandy this is not the time or place to put anything of this nature on MY FATHERS obituary. Like I said to your last message you sent me let my father rest in peace. We were honoring my father's wishes.

We're planning a military honors for him the day before Karl and I have surgery. I would hope we could all come together during this time and we can see you.

I know this isn't easy. Everyone is hurting. I hear you. Reach out. I'm here. We may not all see eye to eye but I love you. ❤️

“ We are so sorry Donna,Kristen,and Karl Jr. This world has lost a great person and friend. Karl was there as soon as he heard my husband Roger had cancer and wanted to know if he could do anything. My late brother-in-law Roy loved his diner so much. He would always be here to help work on my muscle cars including the Firebird and the IROC. He was gentle and kind beyond words. I will miss him and so will Roger and Robert. I am proud to know an Army special forces soldier. God bless you Karl,Rest in gentle peace and I promise I will try not to cry. You always were steadfast,strong,and an inspiration.Thank you for all you did for us...❤️ love you with all our hearts❤️.....sleep well.jan

“First and foremost. Donna, and family, my sincere condolences on Karl's passing. From sitting around the table at the Coffee House to Firemen's Parade Day 2024, and for everything in between, Karl was a leader, a hard worker, and most importantly, a gentleman. His dedication to serving our country and our community is an example for all to follow. As President of Sweeney Hose Co. #7, Karl set a high bar for leadership and dedication. (as a golfer, not so high) He will be missed by many. I will miss my brother fireman, but I will treasure many great memories. Fly High, my Friend Your service on this earth is complete, and well done!
