“ *My thoughts and prayers are with your family at this time. We were just together a few weeks ago laughing and you telling us about your up coming trips and how you couldn't wait to get back to bowling and go out to lunch at a new place on river rd. You will be missed by all of us at bowling! RIP Love Diane*

“*Karol was such a dear friend and lots of fun at bowling and our lunches on Tuesday afternoons. I will miss being able to say "Karol with a "K" you are up" at the bowling alley!! I only knew her for a few years but she will always have a special place in my heart! My prayers go out to her family. Love Carol*

“*My dear friend Karol, my heart is heavy. It seems like I just talked with you and we both were excited about going back bowling and our lunches afterwards. I am just at a loss for words!. You will be so missed my friend. I will miss your big smile and that funny laugh of yours but most of all your big heart that reached out to everyone and especially the love you had for your family and your friends. Fly high my friend.*
