“ Rob, your Mom was a wonderful friend, she was a very caring and thoughtful person and will surely be missed. I have a lot of great memories of the vacation trips we took and the Christmas parties where we exchanged gifts. I know for certain that we never lose the people we love, even in death, they continue to live on in our memories. Diane V.

“ Aunt Karren, thank you for being an amazing person and role model. You were warm, kind and unreasonably thoughtful. I am truly blessed to have had you in my life and I can only hope to be half the woman that you were and to live in a way that would make you proud. I love you!

“ I don't know where to start. Rob, she was always so proud of you. I have never seen her as happy as she was when she told me you and Cheryl were expecting. She was so proud of Jacob, as well as the others. She had a contagious laugh. She was my mentor. I looked up to her in so many ways. She ruled with an iron fist but had a heart of gold. She was definitely a fighter. She endured alot, but she was happy! Fill your hearts with great memories and let them heal your broken hearts. I will miss K.P. so much.
