“ I worked with Kathy at Degraff back in the eighties. I worked in EKG and she worked in the business office. When passing her in the hallway or cafeteria, she always had a friendly smile and a happy hello for all. So sorry for your loss

“ *Kathy was my aunt and was always smiling and we laughed so much. One of the best memories was a 4th of July Party where the Farkas' and Parry's were all together and we laughed about old times and laughed when my brother pulled out his memory box! My aunt and I also came up with a traveling truck that served wine instead of ice cream or food and we wanted to call it WOW - Wine on Wheels. Later we talked about expanding the business to include pot. So the new truck name would be changed to POW-WOW - Pot on Wheels and Wine on Wheels. The dream never came to fruition but we had so much fun talking about it.*

I will miss her greatly.

“ Kathy came into the Restaurant I work at and always , always had a smile! Every time I talked with Kathy I would walk away feeling that the world needed more people like her. I knew in my heart she was someone I knew, not realizing after her passing that Kathy was the kind pretty McCarthy girl of my childhood and my friends sister. One of the Goundry street group of friends- My heart and deepest sympathy to the family and all that loved her. Yvonne MCGuinness (McConnell) family❤️

“ Kathy, then McCarthy, became my friend when I was in 8th grade, she in 9th @ Payne Junior High School. Her smile welcomed everyone to be her friend. We met during “Moving Up Day” gym decorating and became instant friends. Over the years and the miles, we sadly lost touch... but I will never forget her warming smile, her wonderful laugh and her welcoming personality. We lost you too soon Kathy. 🥺❤️
