We had plans together and you said you were gunna try and see me graduate and thats all i wanted! I wanted you to see me graduate and walk across the stage! I want you here noni so much and i know you cant be and im not mad i love you with my whole heart and i miss you more then i can ever explain. I still can't believe your gone from me and i cant go over to your house and sit down with you but i guess im going to have to get used to it. Im gunna take care of Popi ok so don't worry i will be there for him. I love you so much and i hope your okay now and at rest. I just wanted to tell you one last thing. “ I love you mommy, you will be missed but never forgotten! We will all stick together, no matter what! My heart aches so much right now cause a piece of it is with you!! But it the pain will ease in time to come! I have the best Aunts in the world, and how do I know this cause you were the best and it all started with granny, then grandma and carried on to you, aunt Janet, aunt Lynette, aunt Barbara, aunt Connie and aunt Kelly! There is so much love here we will be ok! There is alot of shoulders too cry on, but also alot of dry ones too wipe the tears! We had a great big mommas day this year and I am soooooo glad us girls got too spend it with you! Now you can rest!!! Love you so much! Laura Lee
