“ *Having worked at Mead-Hatcher for 10 years, I truly believe Kathi was the heart of our office family. She was patient, kind and wise no matter what life brought to us. Personal touches in her creativity and celebrating made many memorable and loving memories. Deep sympathy and many prayers for peace to Paul and family for your loss of such a precious light!*

“ I could not mistake that smile of Kathy's no matter how many years have passed. We worked together in 1985-86 at Mead Hatcher/Posting Equipment. Kathy always had an upbeat manner no matter how miserable the working situation was. She loved people and she could be depended upon to bring sunshine to everyone she came into contact with. I am deeply sorry for your loss and know she is in a better place.
