“ My heartfelt condolences go out to Jim and the McPartland family. It was truly an honor to have Kathy work for me over the last 10+ years. She was an outstanding worker and wonderful person. Kathy will be truly missed by the entire team at Ford. May she rest in eternal peace. God Bless.

“ I worked with Kathy for many years, first at Kaleida, then at Ford. She was a powerful claims handler, a caring and funny person, and a dedicated Irishwoman. She will be missed.

“ I worked with Kathy for a few years at ESIS. We sat across from each other and I will never forget her kindness. She was my ally in a job that was very demanding and difficult. She was always willing to listen. We laughed a lot and traded stories about our families. I lost touch with Kathy over the years but I will be forever grateful to her for making that period in my life brighter. I am so sorry for your loss and my thoughts and prayers are with the family.

“ You have always been a shining light in my life. I have so many amazing memories of you. I cannot believe you just talked to me and told me it was going to be ok after I lost my mom. Now I have lost you too. My heart is broken. I will love you forever aunt Kathy and pray you are with my mother and will watch over all of us together.
