“ *I am saddened to hear about the loss of Mrs. Keller. Mr. & Mrs. Keller always treated me like a member of the family. Whether it was camping in Akron at their trailer with Sue or playing bumper pool in their basement on Nash. Sue and I were often found running back and forth from their home to the youth center where Michelle worked. Eventually Sue moved away and I became closer to Michelle while she resided at Nash. I lived within walking distance and spent many days there growing up. My family has known the Keller's longer than I've been alive. I am lucky to have known such wonderful people to guide me through my youth. Sending my deepest sympathy and condolences to the family.*
