“ I worked with Kenny and Jane at American Rubber. I was the receptionist in the office so didnt see Kenny and Jane very often but when I did two of the nicest people I have ever met. I am so very sorry for your loss Jane and to your children too. I used to bump into Kenny at Budwey's and a couple of times at Walmart with his sister. He always said hello to me and asked how I was doing. I just heard yesterday from another person that worked at American Rubber about Kenny and I was deeply saddened. They just don't come any nicer than Kenny. He will be sadly missed. I hope that your hearts will heal because I know without a doubt that he was truly loved by you Jane and the kids. You will all be in my thoughts and prayers. Take care.

“ My favorite memory of Hofie will always be that of him as a little boy. He was always eager to share. Have a cookie or if you want a cheeseburger from McDonald’s my Dad will get a bunch! The Last time we spent time together he was still the same. Eager to share. Pizza and beer this time! I loved the way he and Chuck joked about this and that! Genuine laughter. Too young Hoff, until we meet again xx

“ We went to school together and graduated the same year. I knew of you then, but not very well until recently, when I have got to know you a little bit. You were always so kind and respectful to me. You will be sadly missed by many people who love you. May you rest in peace.
