“ To Mr. Kerber's Family,
I am so sorry for your loss. What an amazing man. Thank you for sharing his story with all of us here in Buffalo and beyond. Although I didn't know your Dad, he inspired me to not feel so depressed about my life after retirement (which I am coming up on very quickly). I also ordered the 1961 Bakeoff book on line. I would love to try his cake!! May Mr. Kerber rest in peace.
Sincerely, Danielle Maichle

And to Mrs. Kerber,
I loved your name for the cake. No surprise an amazing man would marry a creative woman. I will keep you and your family in my thoughts and prayers.
Sincerely, Danielle Maichle
