“ K.C. Never had a bad word to say about anyone! He made it possible for us to build our home and establish "the Hill" we never could have run the riding lessons and H.O.R.S.E. Camp. He helped enrich the lives of hundreds of families. This world was a better place with him in it!

“ I've know Kevin since middle school. Always had a smile and a kind word. Years later I was pleasantly surprised he was one of the clients where I work. We enjoyed his visits to the office and hearing about his latest adventures. His face lit up whenever he spoke of his wife and family. He was one of the good guys! We will miss him stopping in to see us. Our sincere condolences to his family. Gone too soon...

Kevin was a force. He was revered for his hunting and trapping prowess and skills out here among our Amish neighbors. Kevin was first a great family man and loved spending time in the great outdoors. He loved his camp out here in Franklinville and was the best neighbor! He and his amazing sense of humor will be deeply missed.

“ I met Kevin 20 years ago when I first started working at Home Depot. Always working hard but always had time for conversations with me. Through the years hearing about his hunting and fishing trips with the boys, projects, surgeries and finally him deciding to retire. In the past few years he shared the adventures of his wife and his trips to Florida, fishing trips to Lake Erie with the boys and all the fish they caught, family vacations with everyone, fishing trips to Chautauqua Lake with the grandchildren and "First Fish" and a new pool where he enjoyed watching the grandkids learn to swim. Every story with the Biggest Smile. I was truly blessed to have met him and will always carry those memories with me. To the family my thoughts and prayers are with you.

“ In Sept. 1969 I walked into 3rd grade at Gratwick school scared to pieces because I didn't know anyone having come from Col. Payne elementary after our family moved to Linwood Ave. that summer. A boy walked up to my and introduced himself “Hi! My name is Kevin Crapcradle what's yours?” Annie Hacker I responded. “Oh, Annie Hocker” he said! We both laughed and we were friends ever since. I have never forgotten that day. K.C. was the very 1st person I met. For the whole Clapsadle family my most sincerest heartfelt sympathy is with you all at this time. K.C. was really a terrific man. He will be sadly missed.
