“ I don't know what to say about such a great guy! Kevin was a happy go lucky guy even with all his physical problems, he never complained. I met him and Patty once and I am having a hard time just believing he is gone. But he is now in a much better place and is no longer in any pain. He will live on in memory as a great friend that would do anything for you he could do! Goodbye my friend and I hope to see you again in the great beyond, you are in good hands, Jesus will take good care of you.

“ How do you say goodbye to a great man and friend? Always, How ya doing with sincerity. And really meaning it. A great man and friend anyone would be glad to have known. And I certainly am glad to have met Kevin and been a friend, for at least 30 years now. A great personality and just fun to talk and be around. Talk oh yes on the radio or in person, and always full of it. Kevin you made radio fun for me and many others with your great sense of humor and knowledge. Thank you my friend. I will certainly be missing you but you must go on to better places and spread some more fun and good will. Peace my friend on your journey , Norm/W2MH --... ..--

“ *Kevin was a very nice guy, I remember him from all my School days in Depew. He was so kind by taking the time to say hello to me many years after we graduated, when seeing me in a restaurant. A really great Gentleman. Bless him on his journey to his Home in Heaven. May his family always remember the loving and happy times with this wonderful man. From: Denice Bright Bromley*
