“ I am sorry to read of your loss. This summer we too lost a loved one to cancer. It's been comforting to me to read in the Bible of a time when death will be no more (Revelation 21:3,4) and we will see our loved ones again! (John 5:28,29) To think of seeing their smiling faces and getting a hug from them is the best thing to think about. Also too they won't be sick anymore! I hope these thoughts bring you comfort!

“ This is to honor a special patient who became a dear friend. One of the strongest people I know who had an inner beauty and outward smile that always made things look brighter. Truly an angel I am blessed to have met. God Bless you all.
