“ So sorry for your loss. I never met Laurie although she prayed me through cancer and illness because my sister told her about me. Laurie used to send me cheerful cards all the time... what a sweetheart. You must miss her loveliness terribly. With sympathy, Pam Ezzo

“ So sorry to hear of Laurie's passing. I remember her from a very young age. The smile and laugh everyone remembers was always with her. She was a very sweet angel who would always ask how everyone was doing. She is with the Lord now and her Mom, Dad and Terry. The people she left here will have her sweet memory forever.

“ My condolences to Laurie's family. I went to school with Laurie class of " 85" We had lots of fun in Boces Child Care and Health Care classes. We laughed and had many jokes. We had other classes together at N.T High School. We lost contact after we graduated from school and I moved out of N.T. Laurie was and will always be a wonderful person. Laurie will be missed, but not forgotten. R.I.P Laurie and may GOD be with you. GOD BLESS . From Roxanne Hinman (Roxanne Thorpe) class of " 85 ".

“ To my Aunt Laurie - May you rest in peace! You always made a point to stay close with your family and call Dad to ask how everyone was doing. As soon as you learned of Skylar's birth you made sure to send a card. I remember you always had a smile on your face and had a strong passion for church since I was a young kid. I am sure grandpa and grandma greeted with open arms in heaven. The family will miss you. Love your Niece, Marissa

“ Laurie was such a faithful member of the OLC Folk Group for many years. She loved to sing and her faith stayed strong. She really missed her mom and living in North Tonawanda where so many people cared about her. She would call me just to chat every so often and we'd spend a long time reminiscing the folk group days. She will be missed. God bless you Laurie. Now you can sing with the heavenly choir

“ Laurie was a sweet person, always giving compliments and talking about Jesus - she loved her Christian concerts, sending cards out, and giving and receiving gifts. I will miss our “catch up” conversations at holiday and family functions - I know she is healed and dancing on those streets of gold ❤️

“ *Every time we got together with her she always had a smile on her face and would talk about her love for JESUS.*

This very special lady is now where she looked forward to be someday and now she is there.
