“ Leo:

May you rest in peace. I bet that you are in heaven looking for that silver camero. You went to soon, way to soon. We had a blast in college and law school. The gang was shocked with your passing. Hummer and Puner were there at your mass, it was beautiful. Oh, Hummer has a bridge so he is not throwing his teeth in drinks anymore. Everyone from Bosch Hall was shocked.

Your children are beautiful. Your raised them like your parents raised you. I know that you will keep an eye on them from heaven.

Godspeed my dear friend.

“ Most people probably didn't know that Leo and I were good friends but we were. We were classmates all throughout school and even team mates when Spruce Elementary School won the North Tonawanda City School Basketball Championship and I remember playing Little League baseball with him too.
I will always remember good times in our adult years too.
My deepest and genuinely sincere condolences to his entire family.
Rest in peace and God Speed my wonderful friend.

“ Mr. and Mrs. Butera, It has been many years since I have seen or spoken with my friend, Leo. There was a time when we met and became instant best of friends. Our lives took us on different paths, but, I have always held Leo in my heart and thoughts. He was full of Love and kindness and happiness. It broke my heart when my father called me, today, to deliver such sad news. I am truly sorry for your loss, for Leo's suffering, and for my failure to keep a valued friendship. I wish the best for his entire family, especially his 3 absolutely gorgeous children. My deepest and sincerest condolences.

“ Leo,
Your family and extended family and friends are in my prayers.
You're a great guy and you are loved by all.
The ball games we went to in Syracuse, Buffalo and Boston. The
water fun parks with the children. The restaurants. The
conversations. I just loved it all.
Alex and I had a toast to you on Sunday as you prepared to enter
the Kingdom of God.
With all our love,

“ Steve Rusin contacted me to tell me of Leo's passing. I'd like to
express my condolences and share a story. This happened when
we were in high school. We were hanging out in Leo's basement
and he pulled out some boxing gloves and asked me if I wanted to
spar. I told him I didn't know how and he told me not to worry about
it and that I'd get the hang of it. I didn't know you were supposed to
pull your punches and I hit him square in the nose, which
immediately started bleeding profusely. I was horrified and frozen to
the spot. He just stared at me for what seemed like an eternity, then
he started laughing. We both laughed so hard we ended up sitting
on the floor, in tears and unable to breathe. That's how I remember
Leo; slow to anger, quick to forgive, and quick to laugh.

God Bless,

“ Leo was a middle school and high school friend. Always in the mix with the "happy people". So glad he had a wonderful family and full "life" plate. So sad that an illness took it all away too soon. May his light shine on with his circle of family and friends for many years.

Leo fought this battle quietly and with dignity and grace. I will miss seeing him at work. I would like his children to know how often he spoke of them. I pray they will be able to find the strength to carry them through this terrible time.

Leo was a wonderful guy. He was a super conscientious worker and really was committed to his work at DSS. He loved his children very much and I enjoyed hearing about what was going on with them. I'll miss sharing cooking recipes with Leo. Rest in peace my friend.

Leo and myself would frequently visit each other at DSS and talk about our families. He adored his children and always wanted the best for them. Tragically he was taken away from us so soon. He was so full life, hopes, goals and dreams. His pain and suffering are gone now and I believe that he is in a better place. May our Lord look after him throughout eternity. It's my belief that we will meet again one day. God bless you and may he watch over your family in their time of need. In love and prayer.
