“ I was one of Len’s classmates at Georgia Southern University. After we graduated (and he worked for the Sabres) we would get together about once a year to have a beer at the Anchor Bar or a Sabres game. Since I grew up in Hamilton (but live in Georgia) we stayed in touch a lot throughout the years when I would go home for a visit. Len would always begin his Facebook messages with “Clarkie !! “. Then continue on and razz me about my Habs. I would begin my FB messages with “Lennie !! Then continue on to razz his Sabres. It was always fun getting posts from Len. Such a great sense of humor I will always remember.
It’s difficult to find the right words to express my deep condolences to Len’s family and friends. Let’s just say that I miss him.
Sincerely,
Scott Clark
