“ Mrs Cozad,
I will miss you dearly. You were a wonderful women whom I will never forget. Every time I was at your house with Brett you would always talk to me in such a nice way and was always positive about life...I was only 13 or 14 yrs old. You left such a lasting impression on me and I can still picture you smiling....RIP God Bless!

“ Bruce,
I only knew your mother through our conversations about how she was doing and your visits with her. What I do know is how much you loved her because it was in your voice and in your eyes when you talked about her. I could also feel that what she was going thru was heavy in your heart. May all of your wonderful memories of your mother be your comfort during this sad time. You were a wonderful and loving son and I am sure her passing into heaven was more comforting with you by her side. God Bless. Your friend, Rock.

“ *Few people pass through our lives so quickly yet leave such a sweet and long-lasting memory. I'm so happy that I knew Mrs. Cozad, for however short the time was. She gave me a lasting gift of love, through her son, Bruce and I will be forever grateful. She was always sweet and I never heard a harsh word from her about anything. What a wonderful example to her children, grandchildren, great-grandchildren and everyone who knew her!*

“ *Lillian, as fine a lady as her name implies...and just as beautiful! My brother had a 'crush' on her in high school, then I knew her from St. Mark church, even team-taught Sunday School with Carole many years ago. Visited Lillian at Bishop Gibbons - she gave me a little plastic statue of a white angel holding two lambs at a garden gate, a pink rose on the ground. I have looked at it constantly as it sits on my hallway mantle. Always tender thoughts of Lillian. My sincere sympathy...may your fond memories, now treasures, and faith in our risen Lord give you comfort and peace. May Easter give you much joy as well!*
