“ *Maria and family ---*

*I cannot tell you how saddened I was to hear of Linda's passing. She was truly an inspiration to many and loved by all. I remember Linda fondly (as well as your mom and dad). When I needed a place to stay back in 1973, your parents provided me a place and Linda shared her room with me. The love and joy that your family displayed was amazing and I will always remember that. She is with the Lord now and at peace. All your memories will never take the place of having her with you but will help in the days and months ahead. God Bless!*

“ *I am very sad to hear of Linda's passing. I have many wonderful, fond memories of her. We spent a lot of time together many years ago. Her family was a big part of my life growing up. She was a wonderful person. I even took my driving test for my license in her car! Linda was a great woman and will be missed by many. May she rest in peace.*

“ *She was the only Pastor I ever knew who loved the Lord so much that she didn't let illness or anything stand in her way of getting the Word out. I will miss our visits and consultations and going out to eat. You followed your heart and your heart was lead by God. Now you are home with Him and can finally rest. Well done good and faithful servant.*
