“ Linda and I have quite a history. Starting in 1972 at DeGraff Memorial Extended Care facility our friendship grew in leaps and bounds over the years. She reinforced my need for Jesus. I will miss her and look forward to joining her in Heaven. She was a blessing to so many and her rewards will be received in heaven.

“ I have known Linda for years. She was a great nurse and had a heart of gold. Linda loved her work and her residents they had the best care they could get with her being there and watching over them. I will forever remember her kindness and caring for everyone she came across. I am so blessed that I grew up as a young teenager knowing Linda and then I got to work with her for 22 years And she also attended our wedding. I remember Dan was always in the car waiting for her to leave to go home as she never left on time lol. Dan was always so dedicated to her. I know she fought a good fight and never gave up. May she RIP. All my love to the Browning family. Julie and Rachel Chasey.

“ Linda was a truly faithful, kind & graceful human & such a calming presence as a Nurse. She loved life & openly shared how much she wanted to beat her illness so she could continue to serve others. She loved the staff & residents at DeGraff Rehabilitation and Skilled Nursing Facility & loved her dear family...deepest sympathy to Lori & family as you mourn such a beautiful soul.
