“ *I cried when you passed away  
I still cry today  
Although I loved you dearly, I couldn't make you stay  
A golden heart stopped beating, hard working hands at rest  
God broke my heart to prove to me he only takes the best*

“ *I want to believe those we lose never go away, that they walk  
beside us each and everyday.  
Regrettably, death leaves us with a heartache that no one can heal,  
but her love will leave a memory that no one can steal.  
We are deeply sorry to hear of your loss.  
Love: Larry and Laura*
