“ I first met Linda in 1974 at De Graff Hospital. We then went onto nursing school and ended up together at NFMCC working in ICU till she went to ER. She was a very ambitious lady and never gave up on anything. She suffered a lot with her illnesses but fought to the end. Fly high my friend and say hello to David. Jacki and family so sorry for your loss. I am unable to attend her service as I had eye surgery and can't drive but my prayers and thoughts are with you all.
