“ I honestly cannot recall a family event that you didn't attend. Family was definitely your number one priority and it showed in your smile and sparkle in your eyes when you were surrounded by family. Aunt Lois your generosity and willingness to help others will never be forgotten. I know you and Uncle Dick did so much for our family and my brother and I will forever be grateful. I know there is a big celebration going on in heaven right now, however, here on earth there is a huge void in many hearts. You are definitely going to be missed!
