“ Dear Elaine, Randy and Family - We wish we could be with you during this difficult time for everyone. Know you are in our thoughts. I remember all the fun times we had with your parents in North Tonawanda and Florida for over 70 years. Your parents introduced me to camping - only one time for me!!! Lora was, and will always be, my best friend and will be sadly missed.

“ *I remember all the fun we had with Grandma playing games, walking the paths, picking veggies in her garden, and many other things.*

*Grandma also was a great cook. I will never forget Grandma's signature soup! She was always there for us no matter what. I will miss her warm smile and adventurous/ fun loving spirit. Rest in peace, Grandma. I love you.*
