“ *Been remembering since I heard of Margaret's graduation, a very special vacation trip with our Grandmother Nellie that included her, you Joan & myself. Why Grandma would want all THREE of us along is beyond me, except for the great love she had for all her grandchildren. Also will always remember Margaret for her droll, matter-of-fact statements about things that were just clear as a bell to her! - & for being flower-girl in my Mother's wedding to her Uncle Dale! Love to you Joan especially! Alice Daleen*
