Cemetery Details

Queen of Heaven Cemetery

Lockport, NY 14094

Tribute Wall

“ *Tim, thank you for letting me know that my good buddy is now on the other side. Your mother was a real fighter in her battle with cancer, but she continued to keep her sense of humor and her concern for the welfare of her fellow countrymen. I will miss our walks together more than you can know. Take good care of yourself. That is what she always wanted.*
