“ Dear Cousins,

Thinking of you all and really wish we could have travelled North to be with you and celebrate your amazing mother's life. I love and remember Aunt Midge from being a child, and remember her warmth and smiles. Always so kind to us. Glad we saw her in 2012 and reconnect with Hurtubises.

I didn't know she painted carousel horses! Dad sent us one of her beautiful poems.

With sympathy for your loss and lots of love,

Karen and John

“ We were saddened to hear about your mother's death. She was a fine, talented, creative mother, wife, and friend to us all. Our thoughts and prayers are with you in this time of sorrow.

We have great and valued memories of Midge. She had strong faith in God. During her life she developed and used many creative talents. We enjoyed her "Handful of Poems" which she wrote on a sudden inspiration. As golfers we liked the wonderful stained glass golf bag she gave us. Golf was one of our passions. Most of all, Midge was an unflappable, caring, positive family member. She always had a ready warm, smile.

We hope that your years of happiness and many good memories will enable you to live with her loss.

In friendship,

Don and Barbara

“ *Sorry to hear of Midge's death. She was a very special lady and will be missed. May perpetual light shine upon her and grant her eternal rest. Now she will be reunited with Herk and all of her other loved ones. The choir of angels in heaven just gained another one. RIP, Midge!*
