“ *Your bright smile and face was always a favorite to see at holidays and gatherings for the 20 years I spent with your cousin. To me you were also my cousin and family. I'll forever cherish those imprinted memories of you. You brightened the room and the world and I can only pray that peace ihas now found you. Please look over myself and the kids as we always need angels on our side. Knowing we have you up there will be what keeps our hearts from breaking fully.
