“ *What great photos you have included. Thank you so much for sharing them. It gave us a chance to know a little about her life before we met her. She was sure a beautiful lady. She had such a great heart and always a concern for other people. Even though I knew there was such a big chance we wouldn't see her at camp this year I think we put ourself into a sort of denial mode. I am so sorry and please know I will continue to pray for you all. I hope Bobby is doing ok. My heart really goes out to him. I hope we see you at sometime during the season. I am sad we are not able to even make the services. I am acting as caretaker for three now and it has made life a bit difficult. We will always, always remember Marie and thank God that although for a short time, he brought her into our life. Sending love and prayers.*

“ Marie was a kind and wonderful lady. I was lucky to have worked directly with her until she retired. We shared many laughs and I depended on her strong work skills to accomplish our goals at work. She made working a pleasure for me. She was so pleasant and competent and left a wonderful legacy when she retired. My condolences to the family. You lost a precious gem. God bless.

“ Marie was a shining example of a kind, devoted, fun-loving friend, spouse and mom - so full of lovingkindness. And I learned so much from her as she faced life's joys and challenges, especially through her 3 great kids. Marie was also a great pillar of strength for us when our dear dad died. My love and gratitude for Marie will always be immense. Thank you, dear Marie for the love, joy and strength you brought to our life as long-time neighbors + friends on Woodward and beyond.

“ Ma G...you were the mom I needed so much growing up. Such fun we've had on the Allegany vacations. "All the cows are sleeping" is a classic. The winter storms I was stranded at your house & dusting over the doorways. Many memories make me so happy to have grown up with your family. Love Love Love You...MaryLee
