“ *I will never forget all the great times we had roller skating in the basement, playing with Play-Doh, playing the size 45 records and singing on the record player and hide and seek. You have been such an important part of my life growing up. Remember Christian Camp summer school how much fun we had together! I love you with all my heart and my life would never have been the same if you weren't in it. Until we meet again my sweet girl. I love you!*

“ *I'll miss you Marie! I walk by your office and still wish you were sitting at your desk. You were always there to lend a helping hand, with the Christmas parties, picnics and potlucks. I'll miss our chats and your laugh. You were and are a beautiful soul and I am grateful to have had the opportunity to know you. Rest easy my friend, fly high among the stars and know you are loved. Regrettably, I just heard about Marie's passing just today (8/22), and just like so many others I'm shocked & saddened by the news.

Most of my memories of Marie are when her mother and daughters all visited my sister (Gale Szykowski) over on Warner Ave. But, from those early days on It was easy to see that Marie was a special, down-to-earth "good soul." I wish I knew her better!

My heart-felt condolences to those who had the fortune of being part of her life. It may be unfortunately true - "Only the good die young."
