*We were friends in Niagara Falls and we were both a l'd Buffalo Bills fans even in 1962. I had a photo studio at the time. My significant other was Desyl Beebe. We met Jerry when he was playing at the Treadway Inn on the Niagara River
We formed a long friendship and after I left Niagara Falls we stayed in touch
He was a prince of a man. Gentle and kind
I'll see him at the Throne of the Lord.
God grant you rest dear Brother.*

“ *I can't begin to outline my relationship with Jerry. We go back to the 50's when Jerry, Al Kollwitz, Lenny Lipinoga and I played together musically, auditioned on Tin Pan Alley in NYC., Made a recording for Decca Records in Chicago, traveled together on the road performing in various cities in the northeast and remained friends ever since. He will be missed by many, many people as a friend, great vocalist and a lifelong entertainer. A beautiful person on both the inside and outside. God Bless his family and friends.*

“ *I am so very sorry to hear that Jerry passed away..I did not know that he had been in N,T. Before his passing, or I would have seen him.. Blaine was a very good friend of Jerry's, and both great musicians.. Blaine passed away on 2/17/20. They are both making wonderful music in heaven above, together, as with so many musicians that have passed away recently..My thoughts and prayers are with his entire family.. Love and peace to you all. Nina Lilac.*
