“ I had the great pleasure of working with Marissa at Red Lobster in Amherst NY. She was a beautiful young lady, and a hard worker. I will miss that amazing laugh, and smile. Marissa always knew how to light up the room, she will truly be missed. My thoughts and prayers are with the family during this difficult time.

I worked with Marissa at Templeton. She was a part of the core group who spent insane hours working our tails off. She always made the hardest and most frustrating days better, brighter, louder and fun. You were always that positive voice in my ear when I was rambling on about frustrations. The world lost a light the day you left us but you will never be forgotten. R.I.P. angel.
