“ Dear Zobrist family, I worked with your mom years ago at the pharmaceutical company on grand island. She was the sweetest woman. We had many laughs together. She would occasionally bring garlic in to chew. I guess it worked to give her a long life. She was the best inventory clerk and took great pride in her work. I would not have known of her passing had I not had a dream about her recently. Sending sympathy. A life well lived. Kathy Prem.

Marge always brought the sunshine with her. She was so warm and friendly when she greeted us at our cousins' reunions. Both she and Jack were an amazing couple who always made our time together very special. Our family is thinking of Lorna, Myron and children...
