“ Mark, Phil and I will miss you so much. I will always remember our last time together at the Bisons game. How you helped Phil when he fell. One of my favorite memories of you was when we were watching the Patriots game and I was cursing at the TV. And you had never saw me curse that much and you said to me, "You go girl". Phil really appreciated the talk you and him had at Shubby's party. You are forever in our hearts.

“ Where do I begin Markie, you are and always will be the love of my life, soulmate for 35 years and for all eternity. We've been through good times and bad together. You were my rock and I was yours. There are no words to say how I feel, my life will never be the same. My heart is broken, in time some may heal but won't be healed till we're together once again. Our song, "THE POWER OF LOVE" by Celine Dion will always be in my heart, the words in that song is and always will be what our love represented for each other. For 35 years, we danced to that song, and when I hear it our hearts will be together dancing again. I will miss you and love you forever until and when we're together again.

Rest in Peace Markie, Your in my heart forever, All my love eternally yours.
