“ Pam,

Although I don't know your family, I did know him from the apartment complex I live in.
He was always the one who came to make repairs for me . I appreciated his help so very much. I have missed seeing his smiling face around here.

My name is Gail Taggart and I live on Emerson Dr.

Please accept my sincere condolences. He was a good friend.

Pam and Mark went before the altar to be married under God's glory, so he could sit with his family around a campfire in the Adirondacks to tell stories. The love of a man, gone way to soon. He held your hands as you watched the stars and the moon.

Mark was such a great friend, cheerful spirit and adventurous person! A flood of memories come to mind, especially our summer 2013, flying kites, hiking and fairs. Your family is in our prayers. love, Rich and Marybeth xo
