“ My family has known "Bonnie" since her moving to "Rose Court", years back. We enjoyed picking up our mail and daily newspaper from our joint paper/mailbox because it was an opportunity to dialogue with Bonnie. She knew almost everything about our neighborhood: qualifying for the unofficial title of "Mayor of Rose Court." She was a joy to converse with, her memories are embedded in our memories. May God shed his grace upon her.

“ I always enjoyed serving and talking with Bonnie at Federal Meats in Niagara Falls . She had thoughtfully brought me a souvenir from her most recent vacation with family , which shows you how much of a caring and kind person she was. She will be missed by me and the staff at Federal Market. Sincere condolences to the family on behalf of myself and the staff at Federal Market.

“ I met Bonnie at Julie's Baby shower. She was so happy she was expecting a grandson as I talked with her that day. I only really met her that one time, but I knew instantly she was a great caring mother, very nice person and ecstatic grandma to be that day! Steve and I are so very sorry for her unexpected passing into Heaven. She is now a sweet dear angel watching over you, Jim, your father, Leo and Julie! God Bless. I hope you find comfort in that she is at peace in Heaven with God. He gained a Beautiful angel when she passed over to him. She will be watching and guiding you, your father, Leo and Julie the rest of all your lives on this Earth. Rest In Eternal Bonnie!
