“ *Mr. P and family ~*

I have the most wonderful memories of Mary Lou, the woman who let me call her "mom" and whose hospitality and loving, warm embrace I still remember. She was a positive influence in my life and I am so grateful to have known her.

Keeping all of you in my prayers,

Gail (Petruzzelli) Pearson

“ *To the Pawlak Family...we were so saddened to read of Mary Lou's passing, such a dear lifelong friend. Our yearly luncheon get/togethers were special, reminiscing about old times and catching up on new family events. Mary Lou and Norm shared many stories of their grandchildren, of whom they were so proud. Norm, our heartfelt thoughts and prayers go out to you. Jim and I are so sad for your loss. To Mary Lou's children and grandchildren, we extend our deepest condolences on the loss of your mother and grandmother. She will be so missed....*

“ Norm and family;

Our sincerest condolence to you and your family on the passing of Mary Lou. Many decades may have passed since our time at Dunkirk High School but my memory of Mary Lou as a wonderful and true friend is vivid. She was always kind, personable, and so very genuine. When I came home on limited military leave I remember enjoying visiting her and Frank Mignoli. Years ago after moving to Niagara Falls we had the good fortune of seeing Mary Lou while she was working at the Blvd. Mall. Our visit was short time wise but memorable to me; Mary Lou was still the same person with those qualities that made her so special!

*With sincerest sympathy;
