“ *I remember Mike from high school and don't think I've seen him in 42 years, but I do remember his smile and warm "hello" every time I saw him. My sincere condolences. Angela (Donato) Johnson - 1975 Classmate*

“ *To the Bolsover Family. All of you had an influence on my life and I think of you often. My interaction with you was mostly as a teenager back in the '70's. I still like motorcycles, nice bicycles (orange crate), happy hour, billiards, mechanical stuff, machine shop, etc. I do not stay up late anymore to watch movies like Godzilla and 1,000,000 BC. I feel Michael had a watchful eye on me helping in my transition from a small private school to the large public school in 1973. Thank you Michael and to the entire Bolsover family. Your neighbor from 589 Woodward - Gerry Goodrich. I hope you are all at peace.*
