“ I had the opportunity to get to know Mike in my teens and into my twenty's . Paul Tasca introduced me to him and I had the privilege of playing in band with them for a short while.

Mike had an incredible gift of making you feel at ease. He was a good teacher of music and a great example of a good person. His humor, as we all know ,was quick and always left us with a laugh and a smile.

My prayers and those of my wife are with Mike and his entire family.

“ The line in his obituary “you took the sad song and made it better” is perfect! Enjoyed many of Mike’s performances at Buffalo Pizza Project and Pendleton Creek. He was just a great, friendly guy. Rock on, Mike!
