“ My first memory of Michael was when we were in Arlene and Tulio's wedding together as flower girl and ring bearer. I remember so clearly his big beautiful eyes and kind smile. Over the years we have spent many family occasions together and I had the priveledge of working with his sweet mother Joyce. My heart goes out to the family. I am so sorry for your suddent loss. I have great comfort knowing he is is in the presence of the perfect love of Jesus right now. xo

“ I was very honored to have shared a brief time with brother musician Mike. We played in a band together and I was very proud of the experience. I will miss him every day. I know Mike is jammin' with other players as we speak. He was the best drummer I had ever had the pleasure of working with. I'll miss you Mike - Your friend and brother in music.

“ My sisters and I are holding you all in our hearts, thoughts and prayers during this most difficult of times. it Meant so much to us when Mike and Cathy came to visit us in WI making sure we were ok after the passing of our dad, mom and niece (Doug, Therese and Morgan Greenhalgh.) My dad, I know was ever so grateful for this amazing jester and love. Mike followed my posts and often commented making me feel like the comments were coming right from my dad. I will miss him, his infectious smile and presence in my life even though it was through social media it meant the world to me. May God Bless Mike and his family.
