The most beautiful people are those who have known defeat, known suffering, known struggle, known loss, and have found their way out of the depths. These persons have an appreciation, a sensitivity, and an understanding of life that fills them with compassion.

“ *Michael Getz was a beloved grandson to us. He was a happy and inquisitive little boy and active. My husband and I have many cherished memories of Michael. On one occasion, he was about 6 years old, and playing in our backyard. Well he found a small crack in our cement, which my hubby filled with tar. Well Michael found it and pulled out so much tar he had it everywhere, outside and in the house and on him! Like I said very inquisitive. Michael you may be gone from this earth, and with Jesus, you will always be with us in spirit and in our hearts.*
