

## Michael P. Kedzierski

July 4, 1949 - July 7, 2025

Michael P. Kedzierski (Mike)

Mike was a dedicated family man, a loving husband, a wonderful father and the goofiest grandpa there ever was. Mike was also a man of many talents... a drummer, a juggler, a master craftsman, an artist and upcycler, a business owner, a United States Coast Guard Veteran, a walking encyclopedia of jokes, a 2018 recipient of the Valu Home Center's "Founders Award", and a Bigfoot enthusiast.

Above all else, Mike was a devoted husband to Mary, his childhood sweetheart, and caring wife of over 52 years. Mike and Mary raised two amazing children, Jacob and Marcy. As time went on, Marcy married Kirk, a strong and dependable presence in her life. Together, they are raising two spunky children, Vinson and Niandra. As fate would have it, Jacob and Parrish crossed paths at just the right time. Before long, she and her daughter Madeline became a cherished part of the family. Mike was especially proud of his beautiful family and for all their many individual talents and accomplishments.

Family & friends will join together with a Celebration of Life, for Mike, on September 6, 2025, 1p-4p, @ Buducci's Event Center, 570 East Robinson St. North Tonawanda.

“ I meet Mike when I worked part-time at TSK and as a member of NAASH. Mike had a great sense of humor and he and Mary are two of the nicest people I have ever known in my life. Garry Clugston(aka S.bean)

“ Mike was one of my all-time favorite people. Period. Exclamation Point. He was also my favorite goofball - sometimes my partner in crime. Mike and I shared/were burdened with a similar sense of humor. Mike, being one of the nicest guys in the world, could get away with so much more than me. He was also a dedicated family man and friend. Almost every day, we would message/text jokes to each other. Right to this day, I will see something online, that I know Mike would find so funny. Then I come back to reality and realize I can't send it. Mike was a piper. He brought people together with a love of life that he willingly shared with others. Always ready with a smile or a quip, he had a true enthusiasm for life. I will dearly miss his presence in my life. Thanks to Katie, I was able to cherish that last time I spent with him. He technically wasn't a relative, but he was definitely family to me. I think often of him – and Mary, Jake, and Marcy. To me your grief is unfathomable. Cherish the memories and hold them close in your heart. My sincere condolences to you. Love, Kathy Meyers

“ Mike was my 1st cousin. Our family and his family had so much fun at family functions. The cousins spent so much time together, we went to countless concerts, family picnics, backyard functions and so much more. Mike was the funny one and always made me laugh. We lost touch but I did see him and Mary in May of this year at a garage sale we were having. My brother came home to North Tonawanda and Mike and him were the same age and always had a good time together. It was good for them to see each other and laugh. I will miss Mike! My prayers go to Mary, Jacob and Marcy and her family.

“ Memories of Mike quickly returned to growing up with the Westfall gang. The "herd" of girls and boys would gather to play kickball and hide and seek. Mike was an excellent athlete and would be on the winning team. Soon, he and Mary fell in love and became indivisible. He provided adolescent wisdom to me and the other Westfall girls regarding life, love and letting go. He and Mary were wonderful role models for raising children, and we learned from their experience. They also offered practical advice for employment issues. This advice often included becoming honest about what truly mattered. My husband met Mike and Mary during our courtship. We cherished a close, ongoing friendship filled with laughter and interesting perspectives on life. We will miss him.

“ My sympathy to the Kedzierski family. I grew up on Westfall and though I didn't know Mike well, I remember him as a friendly guy! Mary and Robin, Jim, Tim, and Paul Sheedy ... they always had the coolest homemade toys, from stilts to skateboards, and beyond! Many great memories! May Mike rest in peace.

“ I worked with Mike at Valu on Nash Rd and he was always such a joy to be around. He was so helpful with all the customers and literally knew everything! His sense of humor was unforgettable and definitely where we bonded! This world isnt as funny without him in. I cherished that I got to meet him and work side by side with him. May he rest in peace. My prayers and condolences to the beautiful family.

“ Mike, Mary and I grew up on the same street. We played in the street together: kickball, kick the can and street football. He was always an upbeat member of the neighborhood kids and a joy to be around. After he and Mary met, they were inseparable. I have always admired their dedication to each other. Mike was a drummer, athlete and a very funny guy. His daily sharing of funny memes and videos will be a void. I wish that his love, humor and enthusiasm can comfort you with innumerable memories during this difficult time.

“ Uncle Mike was the family jokester and when I was young he taught me to juggle. This is something I taught my oldest son James. He was loved by us all and I know he will be watching down on everyone and he will be dearly missed. We love you!
