

Michael Ray Milek

December 2, 1950 - January 17, 2025

Mike "Miles" Milek, 74, of North Tonawanda, has left this life to meet up with his golf buddies. One of his joys was golfing with family and friends on a beautiful sunny day. He played fast pitch softball for many years and also coached in the National Little League while his sons played. He's a member of the Third Ward Social Club for 50 years or more. Always ready to jump in and help where needed to bartend or projects. He retired from General Motors after putting in 37 years. But always tried to keep busy, cutting grass for the city and driving for Napa. He is predeceased by his mother, Raymonda, and father Stephen Milek. Will be forever missed by his wife of 55 years, Brenda (nee Trumpower) Milek. Children; Mark, Matthew and Nicole (Rob) Litten and his best buddy and grandson Hayden Litten. Such a proud father and grandfather. Brother to Mary (née Milek) Willert, Stephen and Catherine (née Dumais) Milek and Jeanie Dabrowski. If you go to the Third Warders, raise a glass to him and say his saying "One more last one!" Visitation Friday January 24, 2025 from 2 to 6 PM at the Wattengel Funeral Home, 533 Meadow Drive, North Tonawanda, where Services will follow at 6 PM. In lieu of flowers, memorials may be made to Make a Wish Foundation.

“ Dear. Brenda and family, please accept my deepest and heartfelt sympathies. Your love story with Mike started when we were all just kids, and you continued on by creating a lovely family, welcoming a grandchild and living a good life for over half a century surrounded by people you love. Friendships at a time like this are more meaningful and ever, and I know that everyone will envelope you with love as you navigate through this very diffucult time. I shall keep you all in my thoughts and prayers. Lynn Guarino

“ Judy and I send our deepest condolences to Brenda and the family. I met Mike in Little League playing together on the Medics championship teams back in 1962 and 1963 at the Wheatfield field. Mike was instrumental in that success. By the way Mike excelled at football and basketball; just a natural athlete. Judy and I over the years occasionally got together with Mike & Brenda along with the Prohaska's through our good friends Bronco and Janice Horvath. Although it's been a long time since we have seen Mike, we'll always remember him as hardworking great fun loving guy.
