I love you my beautiful blue eyed son. I will miss so many things about you. Your sense of humor, your heart of gold, and how you loved all of us. I will miss you calling me and saying "Hello mothership". Our garage sale adventures and that random call when you found a treasure and needed my truck. We will all miss family dinners and early morning breakfasts. Life will not be the same. I will not say goodbye because I will keep you forever in my heart and I will cherish all my memories of you

“*Mike was more than a brother to me. He was my mentor and my protector. Anytime I had a problem I knew I could call him up and he would be able to come and help me. He was my twin. I remember all our phone calls about what we would work on that day and we would be on the phone for hours talking. I wish that phone call would happen. I love you so much buddy and I will forever miss my twin. I know you and dad are together again. Watch over all of us. We will always remember you for your beautiful soul and sense of humor. Rest in paradise buddy*❤️

“ Mike made everyone around him smile with his goofy self. There’s so many memories we have from growing up. He was my best friend in our child hood. Used to sit there with our walk-in talkies in our rooms and tell jokes. We used to ride our bikes to the store to get those giant freeze pops. We used to go to the gym and I would try to convince him to scare people away from the machines I wanted to use. So many memories that I’ll cherish for the rest of my life. So many stories I will tell my daughter as she grows up. I love you mike!

“ John and I loved Michael so much. He had a heart of gold and was always great to be around. Our best friend. He was the godfather of our son, Emmett. The bond Mike and Emmett shared was incredible, he loved Emmett. We have so many memories, from just sitting and talking, to all the nights by the fire, and so much in between.

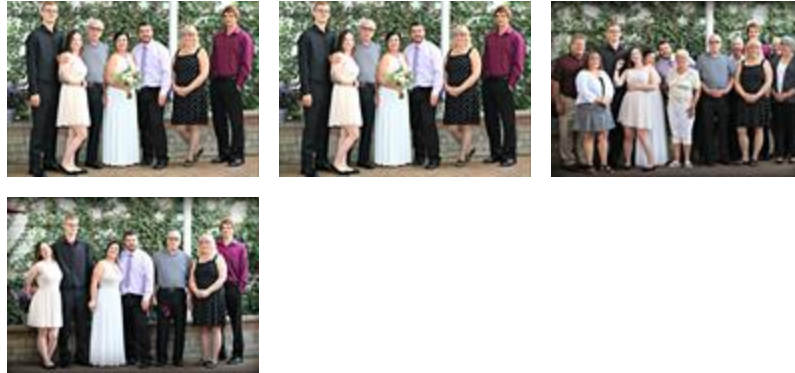

He will be forever missed. Sending love to all the family.

“ Dear Taggart Family, I had Michael as a student at Gilmore School. I even rode with him in an ambulance from Gilmore School to Children's Hospital when he was having a hard time breathing. I remember I saw him years later and it took him a minute to remember me :-). I'm so sorry for your loss. He was always good kid. Love, Mrs Coia
