“ My sincere condolences to the family. Sending prayers for strength during this difficult time.

I knew Michael from theatre. We were in the same company for a little while. I got a chance to act with him in a show and direct him. We had him doing some pretty cool fight choreography and he absolutely loved it. I think it was his favorite part about that show. He was awesome. Such a great guy to create with and be around. We lost touch over the years as we went in different directions, so hearing this was a complete shock. A friend reminded me that we used to call Mike's apartment where we had our creative meetings, "The Sugar Shack". He always had some sweets to eat. This made me laugh and I hope it gives you a smile....He was a sweet guy.

RIP Mike,

Bryan

“ *Fond memories of Mike from our high school years in North Tonawanda. I also worked with him on the “truck crew” at Tops Supermarket on Nash Road for a while in 1974. He was a hard worker and very focused on doing our job perfectly, a trait he maintained his entire life. So glad we reconnected over the past year. We shared a passion for our beloved Buffalo Bills, for our friends and for our hometown. We lost Mike way too soon.... Rest easy dear friend...😞*
