“ *A liar, cheat and thief. She took me for \$1.4 million and never said sorry. Wonder how many more lives she ruined. Rest In Peace Shelly, I'm sure it's very hot where you're at.*

“ *Ports Unknown by June Lowe 2024*

*Michelle has sailed to ports unknown.
To fields that we have yet unsown.*

*Where open arms have welcomed her.
For us on earth it's just a blur.*

*She sits beside our Lord in heaven.
Where Jesus answers all her questions.*

*All around the church bells chime.
And all she sees so sublime.*

*Sweet smelling flowers fill the air.
While many chant the good Lord's prayer.*

*A choir of angels gently sing.
And all around are worshipping.*

*With golden streets and gates of pearls.
Where happy play sweet boys and girls.*

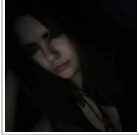

*Rejoice in knowing all is grand.
For Michelle has entered the promised land.*

“Michelle wouldn't take crap from anyone or anything. When she was small she fell on her bicycle. Instead of crying she got up and started kicking the bike.

All of her patients will certainly miss her care and attention she gave each individual. She earned many accolades and awards for that.

She was a loving daughter and will forever have a spot in our hearts.

She'll be missed by everyone who knew her.

Rest in peace our beautiful daughter.

“Shelly, your laugh was contagious and your energy brightened the day. One of my fondest memories of you, one that goes back to the early 2000's, is when you were driving me around North Tonawanda, Niagara Falls, and Buffalo, the sun was out, and we were singing like we didn't have a care in the world. You are a beautiful soul and we will miss you dearly. Thank you for your teachings and the memories, and I'm sorry we didn't get one more hangout. Keep the light burning for us.

“ Shelly was the sister I chose!! She was adopted into our family almost 25 years ago and I hope she knew, could feel, the immense love we have for her. Things will not be the same without her. Her personality was bigger than life! I will miss the daily phone calls, the TikTok videos she would send me, talking about EVERYTHING, and watching our grandchildren grow up together. I hope to see her again one day, my bestie, my sister. I luff you like my luggage!!!
