“ I am a cousin of Wayne . My dad and his dad were brothers. I'm a genealogist and was researching and found he had passed so I felt I wanted to say I only talked to him once years ago and wished we all kept in better touch. Im so sorry to find out he has passed. And hope all the rest of the family will have peace and wellness. RIP dear cousin.

“ *To My Daddy*

We were not apart of each others lives but you were never forgotten. I wish I could have been there with you. YOu are not suffereing anymore and that brings me peace. Now you are with me every moment of everyday. You and Mom are finally back together- your true love.

I love you Daddy
